

New National Sales Manager at Beyerle US: Mike Straw

Dear customer:

We are very pleased to be able to introduce to you our new National Sales Manager Mike Straw. Mike joined Beyerle US LLC on December, 4th.

Mike is truly an exceptional find in this industry:

He brings with him an impressive record of working more than 20 years in the hardware industry and his enthusiasm and passion for architectural products and projects still continues! You won't find many people who know the hardware industry from all of the major aspects like Mike does.

Through his insights and knowledge he will be an enrichment to our company and relationship with our customers.

In his new position, Mike will be pleased to help you finding the right hardware for your upcoming projects. A real people person, he looks forward to getting to know all of our customers, both old and new.

Please get in contact with Mike to set up a call or arrange a meeting with him:

Mike Straw

National Sales Manager

Phone: 770 349 6324

Cell: +1 770 905 7468

mike.straw@beyerle-us.com

We are happy to welcome him on board and sure great things are coming alone - together with Mike!

About Beyerle US

ABP-Beyerle is a leading global manufacturer of stainless steel hardware – barn door hardware for glass and wood doors, door handles pulls, shower door fittings, and standoffs – and operates in the United States since more than 10 years under the name of Beyerle US. The family-owned company is headquartered in Germany and serves the US and Canadian market from its office and warehouse in Atlanta, USA. Beyerle designs exclusive products that offer maximum functionality and fit into any interior. As a leader in manufacturing architectural hardware, we are committed to the development and production of quality hardware.
