Beyerle US L.L.C., ABP-Beyerle it's subsidiaries and agents are not responsible or liable for damage or injury to any persons or property due to improper installation of it's products. All liabilities reside solely with the installer. Comply with all general safety regulations when installing the sliding door fittings!

Installation to be completed by qualified licensed contractor. Be sure to tighten all screw connections one week after starting to use the sliding door fittings! Check nuts and bolts regularly for tightness and retighten if necessary! Never use scouring agents to clean the sliding door fittings; Rather use commercially available cleaner!

Make door handle clearance so that fingers do not get pinched when the door is used!
